

COOMA SHOW 2020

Horses - Friday, March 13

Better late than never!! My humblest apologies to everyone who has been waiting so patiently to see the horse schedule for this year's Cooma Show.

There will be a few small changes, but this is basically the program for the first day of the show.

We've kept rings 1 and 2 for local and district riders while ring 3 features Australian Stock Horses and, wait for it, brumbies!!

I can only hope that riders haven't quite given up on coming to Cooma. For a while it looked as though we may have been forced to cancel the horse events, but rain came in the nick of time.

Once again, many thanks for your patience!! I'll have Saturday's program up over the weekend.
